

MaestroVision

Press Release - Boca Raton, Florida, October 11th 2017

MaestroVision names Jarrett Rudnick New Chief Operating Officer in USA.

MaestroVision, an internationally recognized provider of advanced video solutions, announced today, the appointment of Jarrett Rudnick, as their new Chief Operating Officer. Mr. Rudnick, has more than 15 years of management experience and more than 10 years of experience leading multinational organizations. He will be based out of the Boca Raton, Florida office, in the United States.

Mr. Rudnick will report directly to Claude Turcotte, President and CEO of MaestroVision. As Chief Operating Officer, he will assume responsibility for business development, marketing, operations and implementing new opportunities throughout the United States. He will also be responsible for the alignment and prioritization of company investments and ensuring operational excellence across the company.

"We are delighted to welcome Mr. Rudnick to our team. His operational expertise and client approach will play a very important role in our pursuit of our growth objectives. Mr. Rudnick is a seasoned and trusted leader who is known for consistently delivering results for his previous companies. He is uniquely qualified to drive business development, strategic prioritization and accountability within MaestroVision, with a laser-focus on operational excellence." said Mr. Turcotte. "I have tremendous confidence in Mr. Rudnick's ability to align MaestroVision's current goals with industry-leading best practices to drive and extend the next-generation of its market leadership."

Mr. Rudnick joined MaestroVision from M & M Marketing Research, where he held the position of Managing Director and expanded their company throughout the United States through continuous revenue growth. Before M & M Marketing Research, he had a 10-year career at TOTAL e-MEDICAL, where he held the position of Vice President.

" MaestroVision's strategy has never been more compelling, and have won the hearts, minds and business loyalty of their customers," said Mr. Rudnick. "I am incredibly energized to help lead the company to its next phase of innovation tied with operational excellence."
